LOOK AND DRAW

- Learn to draw with Tristan; it's fun and easier than you think! Draw a cat's face with a circle and two triangles... Make a rocket ship out of a milk carton... *Look and Draw* is a series of capsules in which cartoonist Tristan Demers teaches kids aged 5 to 7 how to draw by using everyday shapes and objects. With wonderful talent and infectious ingenuity, Tristan shows kids how they too can create works of art, magical items that come alive before their eyes in less than two minutes!

FAIRY ERIC

- ▶▶ 15 year-old Beatrice has the most unlikely friend: Eric, her “fairy Godmother!” Although Beatrice thinks it might be very useful to have a magical friend, she soon discovers that Eric isn’t the most gifted fairy on the planet. Eric appears in her life just as she’s starting a really important project: bringing an old movie theatre back to life. With her best buddies and entourage, she’ll soon learn that the real show doesn’t always take place on the theatre’s giant screen...
