WELCOME TO THE ATTRACTION FAMILY FILM COLLECTION!

- ▶▶ Even though these films are intended primarily for the entertainment and enrichment of children, to borrow and adapt Mark Twain's brilliant words of introduction to *Tom Sawyer*, we hope they will not be shunned by men and women on that account, for part of our plan has been to try to pleasantly remind adults of what they once were themselves.

We encourage family co-viewing of these wonderful films, hand picked by us from over 30 countries, having garnered more than 1,000 awards and distinctions.

BON CINÉMA!
