## HEINZ, THE CAT FROM AMSTERDAM

NETHERLANDS, ANIMATION, ADVENTURE/COMEDY

DELIVERY: FALL 2018

In the pleasantly deranged universe of Heinz, an orange happy-go-lucky feline freeloader with a short fuse, the fantastic and the ordinary live next door to each other. While doing his babysitting duty as a dad, Heinz loses his baby cat the Beaver. Before his girlfriend claims his head, Heinz will go to the end of the world to get his baby back, either chased by foes or helped by friends. Eventually, Heinz will even save the world from an evil alien from yet another disaster, despite his deeply engrained aversion to adventures and thanks more to dumb luck than careful planning or meticulous execution. Based on famous Dutch comic strips, seasoned animation writer/director Piet Kroon has worked on Hollywood pics such as *Shrek II*, *Despicable Me*, *Rio* and *Ice Age*.
